Mark 4:26-29

Mark 4:26

And He said, "The kingdom of God is as if a man should scatter seed on the ground,

Mark 4:27

"and should sleep by night
and rise by day, and the
seed should sprout and
grow, he himself does not
know how.

Mark 4:28

"For the earth yields crops by itself: first the blade, then the head, after that the full grain in the head.

Mark 4:29

**"But when the grain ripens,
immediately he puts in the
sickle, because the harvest
has come."**

it's working even if you
can't see it in the
natural. Just like life
begins at conception and
not birth, your blessing
and miracle began the
moment you believed!

It's working in the spirit realm

- a) Your heart is your door to the spirit realm
- b) If your heart is right, then what you're doing is working!
- c) What works and grows in the spirit realm will soon manifest in the natural and it can't be stopped

Seed in the ground is seed in the spirit

- a) You have to cast it into your heart, nobody else can do that for you
 - only you can release your faith
- b) . It's more important to have growth in the spirit than in the natural
 - growth in the spirit produces 30, 60, 100 fold return in the natural. Growth in the natural is 1 fold, it doesn't multiply.

Knowing you have a pure heart is more important than knowing how the seed is growing

- a) Knowing your heart is free from offense toward anyone is more important than knowing how to fix them
- b) Knowing your heart is pure before God is more important than knowing God's timing
- c) Knowing your heart is clean from doubt and fear is more important than knowing what the encyclopedia says about the sickness you need healing of

Your heart stepping into the spirit realm
gives you access to the river of God's
power

- a) The Word in your heart is where the river of
God is
- b) Right in the middle of total chaos you can
step into the river of God, the river of Life!

The condition of your heart is the #1 determining factor in the condition of your harvest

- a) Nobody on earth is worth missing your harvest for; so forgive them no matter how much they don't deserve it!!
- b) In difficult situations, stay on the sowing side and not the judging side. Mercy triumphs over judgement

c) Your heart brings forth fruit of itself

-fruit is judged by what you have done with the Word God gave you and nothing else. That is the Rhema and Logos Word.

-it's not judged by what people say or think; it's not judged by when you or the devil thinks the timing should have been

-you can't speak good words around the right people and get a harvest better than an evil heart would produce

You can't have a pure heart before God
and receive anything less than what His
Word promised you!!

- a) A humble heart before God is the greatest
guarantee of the will of God
- b) You'll receive your harvest even if it requires
a resurrection from the dead!
 - c) God gives the increase!
